

Northern Colorado Volleyball Camps and Clinics Frequently Asked Questions

Refund Policy: For this year we will not charge a cancellation fee, however there will not be a refund for no-shows. Please submit your cancellation in writing to lyndsey.oates@unco.edu.

Where and when do I check in?

Check-in for all one-day clinics at Norco will be 15 minutes prior to the start of the camp at the front entrance of the facility. **Norco's address is: 7395 Greendale Road in Windsor.**

Check-in for the 3-Day camp at UNC will be 15 minutes prior to the start of the camp on the first day only. On the 2nd and 3rd day campers may enter the gym starting at 8:45 am. Check-in will be at the front entrance to **Butler Hancock (Bank of Colorado Arena) located at 1600 23rd St in Greeley.** There is a driveway on the west side where you can pull up and drop your child off without getting out of the car. Staff will be outside checking in the campers on the driveway.

On UNC's campus where should I park if I am dropping my child off or picking her up for camp?

The closest parking lot to the gym is west of Butler Hancock Athletic Complex (M-Lot) and just east of Nottingham Football Field. All lots on campus are ticketed lots Monday – Friday from 8:00 a.m. – 5:00 p.m. UNC Parking Services has assured us that they will not ticket during check-in times for each camp. The volleyball program will not be responsible for any parking tickets.

What do I need to bring to check-in?

-Nothing. 😊 Your full payment and waiver signatures were required at check-in. We are not accepting walk-up registrations this year.

What do I need to bring to camp?

All campers need to wear athletic shoes and socks, athletic clothing, and knee pads (preferred). Campers should bring a water bottle.

Can parents watch the camp?

Unfortunately this year due to the COVID-19 guidelines we will not allow parents or any spectators in the building at UNC or at Norco.

When and where do we eat?

Lunch break will be 12-1 pm. You will be allowed to eat in the gym or in the surrounding outside areas near the gym to be able to distance from other campers. Bring your own lunch.

Which camp/clinic would best fit my child's interests, age and abilities?

We commit to you that your child will be challenged in every camp and clinic. The campers are grouped according to age in every camp/clinic so they will be with other campers who are similar. If we see a need to move a camper up or down based on skill level we will do that. There will not be a skills test this year.

Who can I contact if I have more questions?

Lyndsey Oates
UNC Head Volleyball Coach
