

## TEAM CAMP

July 15-17, 2021

\$400 per team - 12 match guarantee

**We expect 150-180 teams from at least 8 different states!**

*All of this information is also be posted at [www.uncbearsvolleyball.com](http://www.uncbearsvolleyball.com). You can register and pay via credit card online this year.*

**TEAM CAMP FACTS:** We are proud to announce the 19th year of a volleyball event that is one of the largest high school tournaments in the country. We will be using the UNC courts along with other courts throughout the Greeley area. **You must provide your own transportation for your team to the other sites.** The goal of our event is to provide your team(s) with the best high school competition available prior to your team beginning their fall season.

**THE TEAM CAMP EXPERIENCE:** We will offer four different levels for you to choose for your team(s). It is important that you properly place your team(s) where you feel they fit in the best. The format of the team camp allows you to play various teams in your division until Saturday when you are reseeded. The divisional playoffs will allow you to compete for a championship with teams that have fared similar to yours. Your team(s) will be guaranteed a minimum of **12** matches.

Additional notes:

- The event will be staffed by UNC athletic trainers.
- A CHSAA approved coaches' rules clinic will be conducted by the Northern Colorado Officiating Camp that will fulfill the varsity head coach's requirement.
- Prizes will be given to the top finishers in each division.
- There will be team building activities available during breaks in the tournament and before the tournament begins on Thursday (rock climbing, ropes course, bike rides, Scavenger Hunt around campus, etc). There will be more details coming.

**DIVISION 1:** This division of the team camp is intended for varsity teams seeking top-notch competition. The top 4 teams after pool play on the 2nd day will automatically be moved up to the Elite Division. Some of the Division 1 matches will be on campus and some will be off-site. Limited to the first **80 teams**.

**DIVISION 2:** Intended for less experienced or smaller school varsity teams and solid junior varsity teams. The competition in this division is still strong. Limited to the first **64 teams**.

**DIVISION 3:** Intended for less experienced, junior varsity teams or incoming freshman teams. This division will be limited to the first **28 teams**.

*Division placement of your team(s) is made by the high school coach. Some coaches want to place their team higher to challenge them, while others may want to give their team some success at a lower level.*

#### THE TEAM CAMP FORMAT:

The team camp will begin with the first round of pool play starting at **11 am on Thursday, July 15.**

- Each round of pool play will be three matches (2 out of 3 sets).
- The team camp is primarily officiated by the participating teams. It is helpful for the officiating team if your players wear a numbered shirt, however it is not required.
- All teams must bring their own warm-up balls, medicine kit, and whistles. We will not be able to provide ice to all athletes requesting it. It will only be used for emergencies.
- A team camp store will be available with great t-shirts, shorts, and volleyball apparel.
