DIVISION BREAKDOWN:

ELITE DIVISION: This division was new in 2015 and will be a great addition for the highly competitive teams. The division will be limited to **28 teams** on a first come first serve basis. All Elite matches will be played on campus.

DIVISION 1: This division of the team camp is intended for varsity teams seeking top-notch competition. The top 4 teams after pool play on the 2nd day will automatically be moved up to the Elite Division. Some of the Division 1 matches will be on campus and some will be off-site. Limited to the first **80 teams**.

DIVISION 2: Intended for less experienced or smaller school varsity teams and solid junior varsity teams. The competition in this division is still strong. Limited to the first **64 teams**.

DIVISION 3: Intended for less experienced, junior varsity teams or incoming freshman teams. This division will be limited to the first **28 teams**.

Division placement of your team(s) is made by the high school coach. Some coaches want to place their team higher to challenge them, while others may want to give their team some success at a lower level.

THE TEAM CAMP FORMAT:

The team camp will begin with the first round of pool play starting at **11 am on Thursday, July 15**.

- Each round of pool play will be three matches (2 out of 3 sets).
- The team camp is primarily officiated by the participating teams. It is helpful for the officiating team if your players wear a numbered shirt, however it is not required.
- All teams must bring their own warm-up balls, medicine kit, and whistles. We will not be able to provide ice to all athletes requesting it. It will only be used for emergencies.
- A team camp store will be available with great t-shirts, shorts, and volleyball apparel.
