

TEAM CAMP July 14-16, 2022
\$450 per team - 11 match guarantee
\$400/team if you register 3+ teams

We expect 120-150 teams from at least 8 different states!

All of this information is also posted at www.uncbearsvolleyball.com/camps

TEAM CAMP FACTS: We are proud to announce the 20th year of a volleyball event that is one of the largest high school tournaments in the country. We will be using the UNC courts along with other courts throughout the Greeley area. **You must provide your own transportation for your team to the other sites. (All of the Elite Division will be on campus.)** The goal of our event is to provide your team(s) with the best high school competition available prior to your team beginning their fall season.

THE TEAM CAMP EXPERIENCE: We will offer four different divisions. It is important that you properly place your team(s) where you feel they fit in the best. The format of the team camp allows you to play various teams in your division until Saturday when you are reseeded for the divisional playoffs.

Additional notes:

- The event will be staffed by UNC athletic trainers.
- A CHSAA approved coaches' rules clinic will be conducted by the Northern Colorado Officiating Camp that will fulfill the varsity head coach's requirement (pending).
- Prizes will be given to the top finishers in each division.
- Each athlete, coach and chaperone will be required to complete a waiver online before check-in.

We have secured enough court space to accommodate the first 150 teams. **Your first round seed will be determined by the date we receive your registration online or by mail or email. There is no deposit required. Your registration is fully refundable until July 1.** Upon receiving your entry, we will email a confirmation and provide you with additional details.

DIVISION BREAKDOWN:

ELITE DIVISION: This is for Varsity teams from bigger schools or schools that are highly competitive in their state. All Elite matches will be played on campus. Limited to the first **28 teams**.

DIVISION 1: Intended for varsity teams seeking top-notch competition. Most of the Division 1 matches will be on campus but some will be off-site. Limited to the first **80 teams**.

DIVISION 2: Intended for less experienced or smaller school varsity teams and solid junior varsity teams. The competition in this division is still strong. Limited to the first **64 teams**.

DIVISION 3: Intended for less experienced, junior varsity teams or incoming freshman teams. Limited to the first **28 teams**.

Division placement of your team(s) is made by the high school coach. Some coaches want to place their team higher to challenge them, while others may want to give their team some success at a lower level.

THE TEAM CAMP FORMAT:

- Each round of pool play will be three matches (2 out of 3 sets).
- The team camp is primarily officiated by the participating teams. It is helpful for the officiating team if your players wear a numbered shirt, however it is *not required*.
- All teams must bring their own warm-up balls, medicine kit, and whistles. We will not be able to provide ice to all athletes requesting it. It will only be used for emergencies.
- A team camp store will be available with great t-shirts, shorts, and volleyball apparel.

Dorm and Meal Plan Options

- By completing the attached Dorm Reservation Form you will be securing dorm space and/or a meal plan. **Please submit the reservation form and rooming assignment by July 1.** We will not be collecting a deposit for dorms this year. We do not want to issue refunds, so please wait to pay your balance until you know the exact number you will be bringing to camp. **It will be first come-first serve for the newer dorms.** Your dorm assignment, campus map and schedule will be emailed to you by July 11. One adult (parent, chaperone, or coach) must stay with your team in the dorms.
