TEAM CAMP FACTS: We are proud to announce the 22nd year of a volleyball event that is one of the largest high school tournaments in the country. We will be using the UNC courts along with other courts throughout the Greeley area. **You must provide your own transportation for your team to the other sites.** The goal of our event is to provide your team(s) with the best high school competition available prior to your team beginning their fall season.

THE TEAM CAMP EXPERIENCE: We will offer four different levels for you to choose for your team(s). It is important that you properly place your team(s) where you feel they fit in the best. The format of the team camp allows you to play various teams in your division until Saturday when you are reseeded. The divisional playoffs will allow you to compete for a championship with teams that have fared similar to yours. Your team(s) will be guaranteed a minimum of **11** matches. Most likely you will get 12-14 matches.

ELITE DIVISION: This is for highly competitive teams. The division will be limited to **28 teams** on a first come first serve basis. All Elite matches will be played on campus.

DIVISION 1: This division of the team camp is intended for varsity teams seeking top-notch competition. Some of the Division 1 matches will be on campus and some will be off-site. Limited to the first **80 teams**.

DIVISION 2: Intended for less experienced or smaller school varsity teams and solid junior varsity teams. The competition in this division is still strong. Limited to the first **64 teams**.

DIVISION 3: Intended for less experienced junior varsity teams or incoming freshman teams. This division will be limited to the first **28 teams**.

Division placement of your team(s) is made by the high school coach. Some coaches want to place their team higher to challenge them, while others may want to give their team some success at a lower level.

TEAM CAMP NOTES:

The team camp will begin with the first round of pool play starting at **11 am on Thursday**.

- Each round of pool play will be three matches (2 out of 3 sets).
- The team camp is primarily officiated by the participating teams. It is helpful for the officiating team if your players wear a numbered shirt, however it is not required.
- All teams must bring their own warm-up balls, medicine kit, and whistles. We will not be able to provide ice to all athletes requesting it. It will only be used for emergencies.
- A team camp store will be available with great t-shirts, shorts, and volleyball apparel.
